## AMERICAN COLLEGE of HEALTH CARE ADMINISTRATORS

### DISTINGUISHED SERVICE AWARD

My thanks to all of the members of the Awards Committee for recommending me to receive the prestigious Distinguished Service Award and my thanks to all members of the Board of Directors for their confirmation to receive this award.

I have been a member of the American College for over 40 years and have enjoyed serving as the Connecticut Chapter President, Governor of Region I, Chairman of the By-Laws Committee, a member of the Nominating Committee, Chairman of the Awards Committee and a 7 year member and officer of the Foundation.

I was a past recipient of the Distinguished Administrator's Award and I am now thoroughly honored to receive the Distinguished Service Award.

I will always remember the many friends I made during these many years and the knowledge I gained as an active member of the College.

Thank you for this outstanding recognition.

Sincerely,

Charles F. Shelton Jr.  
CFACHCA
