# Liability and Insurance in the Post-Covid Era

## Nursing Home Administrators, CFOs and Risk Managers — Are You Prepared?

Covid-19 hit the post-acute and long-term care industries hard and is likely to continue to present challenges well into 2021. In this environment, administrators must stay current and learn how to protect themselves and their facilities against insurance claims and litigation.

**Be prepared! Join Phoenix Seminars' live webinar on the impact Covid-19 on liability insurance, where you'll earn 1 CEU and learn:**

- What you'll need to prepare for insurance renewals and mitigate increases in the Covid era.
- How to review insurance coverage as it relates to Covid.
- Strategies for defending against Covid professional liability claims.
- How to ensure compliance with applicable federal and state laws and regulations and establish safeguards to protect your facility's assets.
