“Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it's the only thing that ever has.”

Margaret Mead

From Your President & CEO

My first year as your President & CEO flew by — I was overwhelmed with the positive reception I received. Thank you!

As a passionate association executive, I am honored and proud to serve you, the passionate and committed members of the long term care and post-acute care community.

You always inspire me with your energy, compassion, and intelligence.

Since I joined the organization in January 2016, we have made many changes, and we work to continue changing in response to the needs of the Administrator and other professionals serving the aging population in the United States.

It is vital that we continue to stand together, from academic programs to early careerists to the seasoned Administrator. Supporting your profession through membership in your professional association is the best way to have a voice in the creation of the future.

In the 2015-2016 year, we reached out to Academic programs, to our peer associations, and to those conducting research that supports quality outcomes. We will continue to grow our base, to grow our offerings, and to grow our relationships with other organizations in order to have the greatest possible impact.

We want you to join because a strong and diverse community is the only way to have a voice in an increasingly noisy world. Membership in your professional association is the only way to advance the cause of residents and patients. It is the only way to make sure that the best of the best choose long term care and aging services as their career path. Together, we will set the example and lead the way.

How can you help? Support your professional association and your peers with a membership. Become a Mentor or an AIT Preceptor. Lead a session at an ACHCA Conference. Join an ACHCA Committee. Choose to participate locally in your Chapter or start a networking group. Only together can we make a difference.

Throughout history, the only thing that has made a difference is people coming together with a common cause. Join your peers in advancing the needs of long term care and aging services.

We are all proud to say #IamACHCA. Together, we can. And we will. There is no ACHCA without you.

Cecilia B. Sepp, CAE

Highlights

October 2015 - September 2016

The Academy

- The Academy provided registration funding for up to **16** poster session students at the 2015 Convocation.
- ACHCA co-sponsored the Seventh National Emerging Leadership Summit (NELS) which was held July 2016 in Washington, D.C.
- ACHCA partnered with the National Association of Long Term Care Administrator Boards (NAB) to provide financial support for up to 5 NELS participants.
- The Academy Committee and Board Members participated in the Fellow Promise Program resulting in funds appropriated for emerging leadership initiatives.

Awards Program

ACHCA's national recognition and awards program seeks to promote leadership excellence in post-acute and aging services administration, education, journalism, and public service. The 2016 Awards Ceremony provided awards to 9 Chapters, 1 District Award, and 10 Individual and Partner awards. Two student scholarships were awarded. In addition, 58 facility leaders received the Eli Pick Facility Leadership Award at the Convocation for their leadership in achieving top facility performance in their states on ACHCA's identified performance indicators. An additional 226 facility leaders received remote recognition for their achievement and were e-mailed their certificates.

Education & Conferences

- In fiscal year 2016, ACHCA held two national conferences: the 22nd Annual Winter Marketplace, December 4-6, 2015 at Bally's Las Vegas Hotel and Casino and the 50th Annual Convocation and Exposition, April 16-20, 2016 at the Philadelphia Marriot Downtown.
- ACHCA launched the first of six sponsored webinars in September 2016. These webinars are sponsored by Aegis Therapies.
- The Student Poster Exposition was composed of 16 students presenting 12 research posters.

Membership & Chapter Relations

- One of the most exciting things has been the migration to a new Association Management System (AMS) called MemberClicks, a system designed specifically for smaller associations. The new AMS deepens the connection between members, automates many services, and provides easy access to information using one entry point: the New Member Portal. While ACHCA said good bye to the ACHCA Connect Community, within the new member portal, members can connect to other members, start and join Circles, participate in discussions in the Peer 2 Peer Forum, and use the built in social media functions that are similar to Facebook and Google+ Circles. Additionally, member information is searchable immediately and updated in real time.
- ACHCA launched the Group Membership Rate – A Member Benefit that Supports Quality Outcomes! This new membership category offers a company or facility the opportunity to receive a reduced membership dues rate if they pay for 3 or more individual memberships at one time. The group rate applies only to Professional, Emerging Professional, and Associate memberships.
- For our members in locations without an ACHCA Chapter, ACHCA introduced Local Links and Special Interest Groups (SIGs). Designed to provide local networking without the requirements of a formal Chapter, Local Links (also known as Networking Hubs) bring together ACHCA members to discuss career growth, issues of the day, and provide camaraderie.
- For our members that are looking for more targeted networking with professionals in a specific area of long term care. In that case, we now offer Special Interest Groups (SIGs) that revolve around expertise or practice specific topics.

Highlights

Mentoring

- In 2015-2016 the mentoring program had 6 matched mentor/protégé pairs. The mentoring program expanded to engage mentor/protégé pairs at the chapter and district level.

Partnerships

- The AIT/Preceptor Task Force, a joint effort of ACHCA and NAB, wrapped up the development of the content and finalized the online webinar for the program. The launch date was set as November 2016. ACHCA and NAB developed a plan for a joint launch at their fall meetings.

Professional Advancement

- ACHCA signed the contract to return to HumRRo on 3/07/16 and went live with the exams on 5/28/16.
