CALL FOR NOMINATIONS: 2020 ACHCA Awards

Washington, DC, October 17, 2019 – The American College of Health Care Administrators (ACHCA) announced its official call for nominations for the 2020 Awards, which honor new and seasoned administrators, members and non-members, business partners, chapters and districts, and other leaders in the field. For more than 40 years, ACHCA has recognized leaders with demonstrated contributions and exceptional commitment to ACHCA and the field of post-acute and aging services leadership.

This year, the Awards Subcommittee introduces a new Award, the Mentor Award. The Mentor award recognizes the protégé/mentor journey. Additionally, the award honors the mentor who has proven to be an experienced and trusted advisor and one who has taken the initiative to provide tools for the success of their new administrator.

Nominees for the ACHCA Awards should demonstrate an exceptional commitment and innovative effort to improving the quality of care for those in long term care settings while maintaining the highest professional standards. Ideal candidates have contributed their time and resources to the mission of promoting excellence in post-acute and aging services leadership. Review the award categories, eligibility requirements, or to nominate a colleague online at www.achca.org/nominate. Individual/Partner Award nominations are due by December 6, 2019. Chapter/District Achievement Award applications are due by January 3, 2020.

Award winners will be honored at an awards dinner in New Orleans, Louisiana, Tuesday, May 5th, during ACHCA’s Annual Convocation & Exposition, May 3-6, 2020.
